NEWS for Immediate Release

Xerox DocuMate Scanner Line Receives Windows® 7 Logo Certification

Scanner drivers passed Microsoft standards of compatibility, reliability and performance

Pleasanton, CALIFORNIA – November 11, 2009 – Visioneer®, Inc., a leader in intelligent imaging solutions and Xerox® Licensing Partner, announced today that through its development relationship with Microsoft Corp., Xerox DocuMate® scanners have earned logo certification for the new Windows 7 operating system and are available for immediate download. Scanner drivers for the most popular professional and consumer Xerox DocuMate products have been updated to take advantage of the enhanced productivity of Windows 7.

“We are committed to giving our customers a favorable scanner experience with full operating system compatibility and our engineering team has worked diligently to ensure that our products received Windows 7 logo certification,” said John Dexter, vice president of business development for Visioneer. “With Windows 7, Microsoft is delivering a foundation for remarkable customer experiences across applications, services and devices. Windows 7 builds on the Windows Vista® operating system to improve security, reliability, networking and user experience.”

Availability of Drivers

Windows 7 drivers for Xerox DocuMate scanners are available immediately at www.xeroxscanners.com/en/us/support. Driver support for Windows Vista, XP, and 2000 can also be found at this web site.
