

Xerox® W130 Network Production Scanner Warranty Promotion

Production Scanning Peace of Mind with Free On-Site Plan Upgrade!

On-Site Plan coverage is the ultimate service plan for Xerox® production scanners. Purchase your Xerox W130 Network Production Scanner before March 31st, 2024, and receive a **no-charge 1-year upgrade to On-Site Plan coverage.**

In addition to **on-site response** on critical service requests, the On-Site Plan includes an annual **preventative maintenance visit** and one (1) roller assembly kit. A **\$649 value**, included with your Xerox W130 Network Scanner purchase!

XEROX W130 WITH NETWORK & IMPRINTER OVERVIEW

Xerox W130 with Network & Imprinter (XW130N-W/IMPA)

The Xerox® W130 Scanner with network connectivity and included imprinter delivers price-performance leadership. Designed for high-volume scanning environments, the W130 Network Production Scanner features a 500-sheet ADF, delivering scan speeds of up to 135 ppm / 270 ipm at 300 dpi. Connect via USB or Gigabit Ethernet, and take advantage of the included imprinter to add characters, date/ time and other tags to scans.

STACKABLE WARRANTY

If the On-Site Plan has already been purchased, customers will receive an additional year of coverage.

So, if 3-year On-Site Plan was purchased, you will receive a 4th year free.

TERMS AND CONDITIONS:
