

Powerful scanners with advanced features for businesses of any size.

Features:

- Barcode Recognition Software
- Visioneer® Acuity image enhancement software
- Max document size 9.5" x 236"
- Create searchable PDF files to make it easy to find scanned documents
- Scan speeds up to 88 ppm / 176 ipm for DocuMate 6480*
- Scan speeds up to 70 ppm / 140 ipm for DocuMate 6460*
- 11,000 page daily duty cycle

*@ 200 dpi, b&w, greyscale, or color

DIGITIZING ALL PAPER

In today's digital world, it's important to be able to manage and access the data trapped in ever-increasing stacks of paper documents. The DocuMate® 6460 and DocuMate 6480 provide one of the fastest and most user-friendly ways to harness paper into the digital realm, helping organizations manage their scanned information. These compact desktop scanners have everything you need to digitize all your paper documents:

Speed – Load up to 120 mixed sized documents into the document feeder and scan them at speeds of up to 140 images (70 pages) per minute* for DocuMate 6460, and 176 images (88 pages) per minute* for DocuMate 6480, through a high speed USB 3.0 connection. Scanning will be done quickly and the resulting files may even look better than the originals when you apply the software in the bundled suite from Visioneer.

Reliability – The active reversing rollers and ball bearing fitted inside the paper feeding mechanism enhances reliability and provides a maximum daily duty cycle of 11,000 pages. An advanced light array increases the amount of light sources from 1 LED to 45 LEDs, providing

superior lighting to produce superior images. Ultrasonic Multi-Feed Detection allows you to correct overlapped paper by detecting air thickness between documents. If two documents are detected, the user will be alerted to make corrections before the scan resumes, ensuring every page is captured. The scanners also feature built-in features such as de-skew and auto-crop saving your CPU precious processing power, allowing it to receive the images at high speed.

By using two motors instead of one, the scanners can precisely pick and feed one sheet at a time at high speeds, providing years of scanning reliability.

Searchability – The DocuMate 6460 and 6480 will automatically transform your scans into searchable PDF files so when you need them, you can find them. The scanners are powered by Visioneer® OneTouch® technology to scan documents instantly to one of nine preset, yet completely configurable destinations. Visioneer OneTouch takes control of your document management workflows and scans in data using the optimal settings for resolution, color, duplex, auto-crop, auto-straighten and file format, and then delivers it

to virtually any application, folder or device at the touch of a button. Working together with Acuity image enhancing software, perfect scanned documents are delivered in a searchable PDF format to email, cloud or a custom web application. Not only is this a productivity gain, but it greatly reduces the training time for scanner users, further helping your return on investment.

Versatility – Like its predecessor, the DocuMate 6460 and DocuMate 6480 scanners provide an adjustable document feeder that will fit 9.5-inch wide documents and scan paper as long as 236 continuous inches, plus automatically trim out the margin holes from the final scanned image. This is useful when scanning dot matrix tractor feed paper or long medical chart printouts.

Both scanners fit comfortably on any desk making them the perfect solution for small and large businesses that need to digitize their paper documents. Any industry can greatly benefit from the professional features that are incorporated into these products: from banking and accounting, legal and healthcare, to transportation and manufacturing.

HIGH CAPACITY INPUT

The DocuMate 6460 and 6480 desktop scanners were engineered to maximize productivity. The automatic document feeder (ADF) holds an impressive 120 sheets (20 lb. paper) and is designed from the ground up to provide error-free scanning. These design innovations include:

- **Embossed ID cards** – Scan multiple plastic hard cards through the ADF
- **Wide Input Tray** – Ability to feed through tractor fed or dot matrix printer paper without tearing away the edges
- **High Capacity ADF** – Holds 120 sheets
- **Hardware De-Skew** – This process helps align paper to rollers and paper guides, ensuring straight paper feeding and the elimination of feeding errors

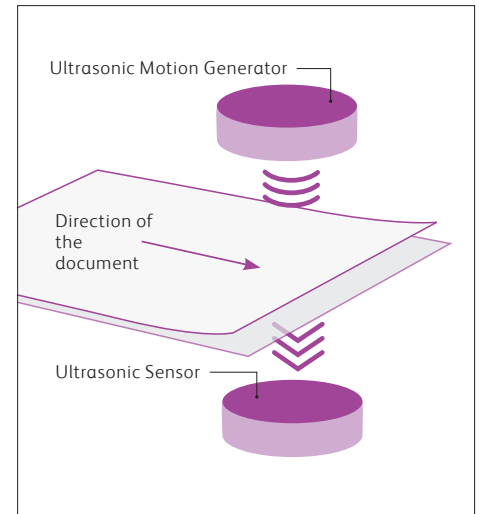

Advanced Feed Rollers – The Award Winning active reversing rollers and ball bearing enhances feeding reliability making the maximum daily duty cycle of 11,000 sheets possible.

DESIGNED OUTPUT

High capacity and well-designed output trays are configurable for a wide variety of media including checks, wide paper, letter and legal documents. Fast USB 3.0 data transmission ensures top-speed scanning. Output features include:

- **Ultrasonic Multi-Feed Detection**
An ultrasonic sound wave passes through the paper and lets the sensor detect if there are multiple sheets moving through, thus preventing doublefeed mistakes in scans.

FAST AND RELIABLE

We know that time is money, and the DocuMate 6400 series provides production speed at the desktop. The scanners offer high speed throughput and the following accompanying features to match the raw scan speeds:

- **Up to 70/88 ppm and 140/176 ipm** – Top speeds listed at 200 dpi for the 6460 and 6480 respectively
- **Onboard IP** – Provides de-skew and crop onboard the device, saving the computer precious processing power and allowing it to receive the images at high speed
- **Dual Motors** – By using two motors instead of one, the DocuMate 6400 series scanners can precisely pick and feed one sheet at a time at high speeds, providing years of scanning reliability

Light Bar – An advanced light array increases the amount of light sources from 1 LED to 45 LEDs, providing superior lighting to produce superior images.

- **Adjustable Output Tray by Length**
Stops and catches shorter documents like checks, reducing the time needed to collect odd size documents
- **Adjustable Output Tray by Height**
Allows for extra thin or delicate documents to pass through the scanner, helping eliminate the chances of damaging the document
- **Fast Data Transmission**
(SuperSpeed USB 3.0 interface)

Xerox® DocuMate® 6460 / 6480 Scanners

VISIONEER INTELLIGENT SOFTWARE PLATFORM FOR WINDOWS

OneTouch

An easy-to-use scanner workflow application that performs all steps in a complex scanning operation at the touch of a button.

Acuity

Enables you to improve the visual clarity of scans. Acuity uses over 25 advanced algorithms to intelligently correct documents.

Capture SE

Flexible, powerful batch scanning solution that can split scans into separate files, create indexes, read barcodes and extract data.

DriverPLUS

Provides an impressive array of settings to enable precise scan customization with a simple-to-use interface and helpful tool tips.

Organizer AI

Manages your files with fast search, conversion, file analysis and cleanup, tagging, PDF editor and automated file classification.

ADDITIONAL SOFTWARE

ABBYY® Software: ABBYY FineReader OCR Software

Scanner Drivers for Windows: TWAIN, ISIS®, WIA

Xerox® DocuMate 6460/6480 Scanners Specifications

Model Number	XDM6460-U	XDM6480-U
Xerox Part Number	100N03243	100N03244
Scan Speed: DocuMate 6480	Up to 80 ppm / 160 ipm: 300 dpi (B&W, grayscale, or color)	
	Up to 88 ppm / 176 ipm: 200 dpi (B&W, grayscale, or color)	
Scan Speed: DocuMate 6460	Up to 65 ppm / 130 ipm: 300 dpi (B&W, grayscale, or color)	
	Up to 70 ppm / 140 ipm: 200 dpi (B&W, grayscale, or color)	
Scan Method	Duplex Automatic Document Feeder	
Image Sensor	CCD (Charge Coupled Device)	
Light Source	LED instant on	
Optical Resolution	200, 300, 600 dpi	
Interpolated Resolution with Visioneer Acuity	75, 100, 150, 400, 500, 1200 dpi	
Output Bit Depth	24-bit color, 8-bit grayscale, 1-bit black & white	
Background	Black	
Scanning Media Supported	Paper, plastic ID cards, photos	
Interface	Hi-speed USB 3.0	
Scanner Dimensions (W x D x H)	(Trays collapsed) 12.5" x 7.5" x 6.6" (316 x 191 x 168 mm)	
	(Trays extended) 12.5" x 26.8" x 9.4" (316 x 680 x 239 mm)	
ADF Minimum Document Size	2" x 2" (51 x 51 mm)	
ADF Maximum Document Size	9.5" x 236" (241 x 5994 mm) @ 200 dpi	
Maximum Card Thickness	0.051" (1.25 mm)	
ADF Paper Thickness Range	7 – 110 lbs. (27 – 413 g/m ²)	
ADF Capacity	120 pages (20 lb., 75 – 80 g/m ² paper)	
Weight	9.2 lb. (4.17 kg)	
Duty Cycle	11,000 pages/day	
Supported Operating Systems	Windows 11, 10, 7	

Box Contents: DocuMate 6460 or 6480 Scanner, Power Cable, USB 3.0 Cable, Power Supply, Quick Installation Guide, Technical Support Card, DVD-ROM with user's manual software & drivers.
