

Organize your documents at home, at the office, or in the field.

Features:

- Mac® and PC compatible
- 1,000 page daily duty cycle
- Up to 20 ppm / 40 ipm
- Scans plastic ID cards
- Bundled Software from Visioneer® and ABBYY®
- Scan through ADF or front feed
- EPEAT™ Registered

DIGITIZE YOUR WORKFLOW

Our fast-moving, business oriented digital world still produces paper trails, and business professionals need a digital scanner that will keep up with that constant influx of paper documents, both at the office and in the field. Accuracy is vital for anything you scan, from receipts to financial statements to business cards. Xerox® Duplex Portable Scanner is the perfect tool for freeing the information trapped in paper. This versatile scanner can scan papers as small as a business card, or documents up to 8.5" (216 mm) wide and 118" (2997 mm) long, and save them as a PDF, JPG or other popular file formats.

The scanner is enabled by TWAIN™ or ISIS® drivers, and includes an all-around powerful software suite designed to organize your business-critical information and convert it to searchable and editable data.

The Visioneer OneTouch interface is integrated with the front high-resolution LCD display, showing the preset details about the 8 different scanner configurations and streamlining workflows with preassigned destinations at a touch of a button.

Compatible with both PC and Mac platforms, the Xerox® Duplex Portable Scanner can be powered using either two USB cables, or a wall plug (provided). The multi-page ADF is fully configurable, and can be set up so a front fed document will exit from the back or the front, as desired. The scanner trays fold up when not in use for portability and a space-saving footprint. When the trays are unfolded, the Duplex Portable Scanner becomes a robust desktop scanner with speeds of up to 20 pages per minute (40 ipm), and a 1,000 sheets per day competitive duty cycle. (Note: You will achieve higher performance by using the AC power rather than USB power.)

For Mac® users, we provide the most fully featured TWAIN™ driver in the market today, ICA support, and a simple, yet powerful Scan Utility, allowing you to get started right out the box.

ABBYY® Fine Reader is the OCR solution for either platform.

The Xerox® Duplex Portable Scanner is a perfect scanning solution for companies of any size, in any industry, from legal and healthcare, to insurance to finance, and everything in-between. It is an all-around solution for organizing and controlling business-critical data.

Scan through the ADF or
through the front feed.

VISIONEER INTELLIGENT SOFTWARE PLATFORM FOR WINDOWS

OneTouch

An easy-to-use scanner workflow application that performs all steps in a complex scanning operation at the touch of a button.

Acuity

Enables you to improve the visual clarity of scans. Acuity uses over 25 advanced algorithms to intelligently correct documents.

Capture SE

Flexible, powerful batch scanning solution that can split scans into separate files, create indexes, read barcodes and extract data.

DriverPLUS

Provides an impressive array of settings to enable precise scan customization with a simple-to-use interface and helpful tool tips.

Organizer AI

Manages your files with fast search, conversion, file analysis and cleanup, tagging, PDF editor and automated file classification.

ADDITIONAL SOFTWARE

ABBYY® Software: ABBYY FineReader OCR Software (Mac and PC), ABBYY Business Card Reader (PC)

Scanner Drivers for Windows: TWAIN, ISIS®, WIA

Mac® Software: TWAIN Mac driver, ICA Mac driver, Visioneer Scan Utility for Mac

Xerox® Duplex Portable Scanner Product Specifications	
Model Number	XDS-P
Xerox Part Number	100N03261
ADF Scan Speed (color or B&W) (Powered by AC Power) On A4 size paper, Portrait orientation	15 ppm / 30 ipm @ 300 dpi
	20 ppm / 40 ipm @ 200 dpi
Scan Speed through front feed (Powered by AC Power)	4 seconds per page @ 300 dpi
	3 seconds per page @ 200 dpi
Scan Method	ADF or Front Feed
Optical Resolution	600 dpi
Output Bit Depth	24-bit color, 8-bit grayscale, 1-bit black & white
Image Sensor	Dual CIS (front & back)
Light Source	LED (light emitting diode) instant on
Scanning Media Supported	Paper, plastic ID cards, photos
Interface	USB 2.0
Scanner Dimensions (W x D x H)	(Trays collapsed) 11.78" x 4.1" x 2.93" (299 x 104 x 74 mm)
	(Trays extended) 11.78" x 10" x 10.05" (299 x 254 x 255 mm)
ADF Minimum Document Size	2.25" x 2" (57 x 51 mm)
ADF Maximum Document Size	8.5" x 118" (216 x 2997 mm)
ADF Paper Thickness Range	16 – 32 lbs. (60 ~ 120 g/m²)
Maximum Card Thickness	0.051" (1.25 mm)
ADF Capacity	20 sheets (20 lb., 75 – 90 g/m² paper)
Weight	3.3 lbs (1.5 kg)
Duty Cycle	1,000 pages per day
Supported Operating Systems	Windows 11, 10, 7; MacOS 11-15
Box Contents: Xerox® Duplex Portable Scanner, USB Cable, Power Supply, Power Plug Adaptors, Quick Installation Guide, Technical Support Card, Warranty Card, Quick Install Card, ADF Pad Assembly, DVD-ROM with user's manual software & drivers.
