

Mobile Capture Product of the Year DM Awards 2017

Editorial Type: Awards Date: 01-2018

WINNER: Visioneer - Xerox Duplex Travel Scanner

RUNNER UP: CumulusPro AG - CumulusPro Mobile Document Capture

The Xerox Duplex Travel Scanner is the complete mobile scanning solution for busy professionals. With a single USB connection you can quickly and easily scan, file and store all of your documents, plastic ID cards, photos, articles and brochures, no matter where you are. Weighing a little more than a small bottle of water, it is compatible with a Mac or PC, includes robust PC and Mac TWAIN drivers, and also a powerful suite of bundled software.
