

Flexible Scanning Solution for Large Documents

Features:

- Scan large documents on the 11.7" x 17" (A3) flatbed
- One Touch scanning to any of 9 destinations at the touch of a button
- Internal USB hub for direct connect to an ADF scanner and the computer.
- Convert documents into searchable PDF files
- Automatic image enhancement tools without the need of user intervention

TOTAL FLEXIBILITY

When you need a flexible scanner configuration, Xerox delivers. The DocuMate® 4700 is an excellent flatbed scanner when directly connected to your PC. It can be used as a standalone flatbed scanner, and act as a flatbed option for any Xerox DocuMate DriverPLUS ADF scanner. Its USB hub changes the scanner to a combined configuration of distinct ADF and flatbed scanners that are addressable as one single scanner. So, if your needs suddenly change from the ADF-only scanner you have today, you can add a flatbed scanner and improve the investment you've already made in an ADF scanner. The ability to configure your DocuMate 4700 with an ADF scanner in series brings total flexibility to the entire DocuMate scanner product line.

The DocuMate 4700's powerful software, robust functionality and superior hardware specification delivers quality in every scan. Flatbed scanning offers the option to scan a wide variety of documents, such as books,

magazines, plastic cards and fragile paper. Now there is no need to install multiple flatbed scanners across a network if the majority of users do not require this function on a frequent basis. You now have a new option to simply add flatbed capability to your existing set-up, saving time and money. The generous flatbed size enables you to scan large documents (up to 11.7" x 17"), even if the connected ADF scanner is only A4 (8.5" x 11", US Letter) size.

POWERFUL TECHNOLOGY

The DocuMate 4700 can scan documents to 9 preset, yet completely configurable, destinations using Visioneer® OneTouch® technology. This enables your documents to be scanned with the correct settings for resolution, color, cropping, file format and then delivered to virtually any application, folder or device – all at the touch of a button. OneTouch technology is not only a great productivity gain, but it greatly reduces amount of time it takes to learn how to operate the scanner and increases your return on investment.

Ideal for management of old or delicate documents, the DocuMate 4700 includes software tools to edit, crop and retouch scanned images and organize the files into folders. With the touch of a button, users are able to scan and automatically upload their documents to popular cloud destinations such as Google Docs™, Evernote®, DropBox, Box.net and others.

VISIONEER INTELLIGENT SOFTWARE PLATFORM FOR WINDOWS

OneTouch

An easy-to-use scanner workflow application that performs all steps in a complex scanning operation at the touch of a button.

Acuity

Enables you to improve the visual clarity of scans. Acuity uses over 25 advanced algorithms to intelligently correct documents.

Capture SE

Flexible, powerful batch scanning solution that can split scans into separate files, create indexes, read barcodes and extract data.

DriverPLUS

Provides an impressive array of settings to enable precise scan customization with a simple-to-use interface and helpful tool tips.

Organizer AI

Manages your files with fast search, conversion, file analysis and cleanup, tagging, PDF editor and automated file classification.

ADDITIONAL SOFTWARE

ABBYY® Software: ABBYY FineReader OCR Software

Scanner Drivers for Windows: TWAIN, ISIS®, WIA

DocuMate 4700 Product Specifications

Model Number	XDM47005M-WU
Xerox Part Number	100N02873
Scan Speed: B&W, Grayscale or Color	2.5 sec/page @ 200 or 300 dpi
Scan Method	Flatbed
Image Sensor	CIS (Contact Image Sensor)
Light Source	LED (Light Emitting Diode), instant on
Optical Resolution	600 dpi
Output Bit Depth	24-bit color, 8-bit grayscale, 1-bit black & white
Background Color	Black
Interface	Hi-Speed USB 2.0
Dimensions (W x D x H)	22.8" x 19.5" x 4.5" (580 x 495 x 115 mm)
Weight	15.4 lbs (7 kg)
Maximum Document Size	11.7" x 17" (297 x 432 mm)
Minimum Document Size	0.15" x 0.15" (4 x 4 mm)
Duty Cycle	1,000 pages/day
Supported Operating Systems	Windows 11, 10, 7

Box Contents: DocuMate 4700 Scanner, Power Supply, USB 2.0 Cable, Quick Install Card, Technical Support Card User's Manual, DVD-ROM with user's manual software & drivers.
