The Xerox® Duplex Portable 2.0 Scanner is a compact, yet powerful document scanner designed for professionals who need reliable performance on the go. Weighing just 3.3 pounds and measuring 11.8" x 4.1" x 2.9" when folded, the Xerox® Duplex Portable 2.0 Scanner fits easily into a briefcase or travel bag without sacrificing capability, making it an ideal mobile document scanner for busy professionals. Despite its size, it delivers scan speeds of up to 30 pages per minute (60 images per minute when scanning both sides of the document) at both 200 and 300 dpi, making the digitization of document batches quick and easy. With a daily duty cycle of 3,500 pages and a 50-sheet automatic document feeder, the Duplex Portable 2.0 Scanner is built to handle real-world workloads with ease.

## FLEXIBLE CONNECTIVITY, UNIVERSAL COMPATIBILITY

Connectivity and compatibility are two areas where the Xerox® Duplex Portable 2.0 Scanner excels. It offers three connection options (USB 2.0, WiFi, and Gigabit Ethernet) giving users the flexibility to integrate it seamlessly into virtually any work environment, whether at home, the office, or

a client site. As a document scanner for Mac and Windows users alike, it supports a wide range of operating systems, including Windows 7, 10, and 11 as well as macOS 11 through 26. It is compatible with all major scanning drivers: TWAIN, WIA, ICA, and SANE. Additionally, users can scan directly to their phones and tablets through the Visioneer® Mobile Capture App, available for both Android and iOS devices.

## CARDS, PHOTOS, RECEIPTS, AND EVERYTHING IN BETWEEN

Versatility is another key characteristic of the Xerox® Duplex Portable 2.0 Scanner, which can handle an impressive variety of media types including paper documents with thickness ranging from 7 to 110 lb. (27–413 g/m<sup>2</sup>), photographs, ID cards up to 0.05" thick, and embossed plastic cards. The Duplex Portable 2.0 Scanner can digitize documents as small as 2.25" x 2" and as long as 118", making it an ideal scanner for all kinds of users, including small or medium businesses, mobile professionals, and those looking for an affordable solution for personal use.

## PRODUCTIVITY UNLEASHED

The Xerox® Duplex Portable 2.0 takes productivity a step further with the bundled Visioneer® Intelligent Software platform, which transforms it into a truly smart document management solution. Users can scan directly to a wide range of formats that include regular or searchable PDFs, image files, and Microsoft Office applications (making every digitized file instantly editable and easy to work with). The Visioneer® Intelligent Software also supports scanning to popular cloud destinations, keeping documents securely stored and accessible from anywhere. Advanced features like automatic document naming, targeted data extraction, and automated file classification make managing files even more effortless. Whether used as a receipt scanner for business, a batch document scanner for office workflows, or a personal scanner for everyday document management, the Visioneer® Intelligent Software platform elevates the Xerox® Duplex Portable 2.0 into a complete, end-to-end digitization solution.
